

### **Moitoso Dental office policies – Post CoVid-19:**

- Our office will communicate with you beforehand to ask some screening questions. You'll be asked the same questions again when you arrive at the office & have your temperature taken.
- ALL PATIENTS – must wear a mask
- We have hand sanitizer that we will ask you to use when you enter the office, prior to signing-in. You will also find some in the reception area and other places in the office for you to use as needed.
- You may see that our waiting room will no longer offer magazines, since these items are difficult to clean and disinfect.
- Appointment times will be managed to allow for social distancing between patients. This might mean that you're offered fewer options for scheduling your appointment.
- We will do our best to allow greater time between patients to reduce waiting times for you, as well as to reduce the number of patients in the reception area at any one time.
- Waiting room chairs have been blocked off to allow social distancing between each patient and if preferred, can also wait in the car while we get your room ready, we will call your cell phone once we are ready to take you to the exam room.

The ADA has released a [statement](#) noting “Dentistry is Essential Health Care.” The FDA further states there have been millions of aerosol-generating procedures since the beginning of the COVID-19 pandemic in the U.S. alone **without a single documented COVID-19 transmission between patients and dental health care providers in all of Florida.**

We are here to work with you to take care of your oral health, while always keeping your safety and comfort level top of mind. Please don't hesitate to contact our office if you have any questions about the steps we are taking to keep you, and every patient, safe in our practice.
